Converd FSC Media For Solvent Eco-Solvent and UV Curable Printers

With an emphasis on recyclable, conVerd presents alternative resources for the large format digital printing industry. Converd is highlighting three revolutionary products that, present an alternative resource for the large format digital printing industry. Environmentally friendly paper products, Blox - Lite™, Enviroboard™ and GreenLight™ which go one step beyond typical green offerings with the capability to skip the landfill and head straight to the recycling bin.

The ConVerd wide - and super wide - format paper line was the very first to be FSC Certified and is manufactured with up to 50% post - consumption fiber content and is 100% recyclable.

Blox-Lite FSC Certified Banner Material**Blox-Lite****FSC Certified**

Blox-Lite™ – is a 100% recyclable and FSC certified paper. It is a great alternative to non-green medias like PVC vinyl. A two side printable, 100 % opaque grometable banner and sign material. Applications: Hanging signs, banners, frontlit displays, point of purchase signage, trade show displays. FOR SOLVENT PRINTERS
